The Power of Dreams

BLUE SKIES FOR OUR CHILDREN

These specification details do not apply to any particular product which is supplied or offered for sale. The manufacturers reserve the right to vary their specifications, including colours, with or without notice and at such times in such manner as they think fit. Major as well as minor changes may be involved. Every effort, however, is made to ensure the accuracy of the particulars contained in this brochure. This publication shall not constitute in any circumstances whatsoever an offer by the Company to any person. All sales are made by the Distributor or Dealer concerned subject to and with the benefit of the standard Conditions of Sale and Warranty given by the Distributor or Dealer, copies of which may be obtained from them on request. This publicity material applies to the UK only Trade Descriptions Act (1968). Whilst efforts are made to ensure specification accuracy, brochures are prepared and printed several months in advance of distribution and consequently cannot always immediately reflect either changes in specification or in some isolated cases the provision of a particular feature. Customers are always advised to discuss specification details with the supplying Dealer especially if your model selection is dependent upon one of the features advertised.

4 DOOR

HONDA

YOUR NEW CIVIC

Completely redesigned, and re-engineered, the new Civic 4 Door epitomises our innovative spirit and quest for technical excellence. The result is a car created with a unique personality and soul, a car that is exciting to drive, refined, comfortable and sophisticated. But ultimately, it's a car built around one vital component. You.

Model shown is a Civic 4 Door 1.0 VTEC TURBO EX in Polished Metal Metallic.

Images are shown for illustration purposes only and show a left hand drive vehicle. In the UK, the Civic will be a right hand drive vehicle.

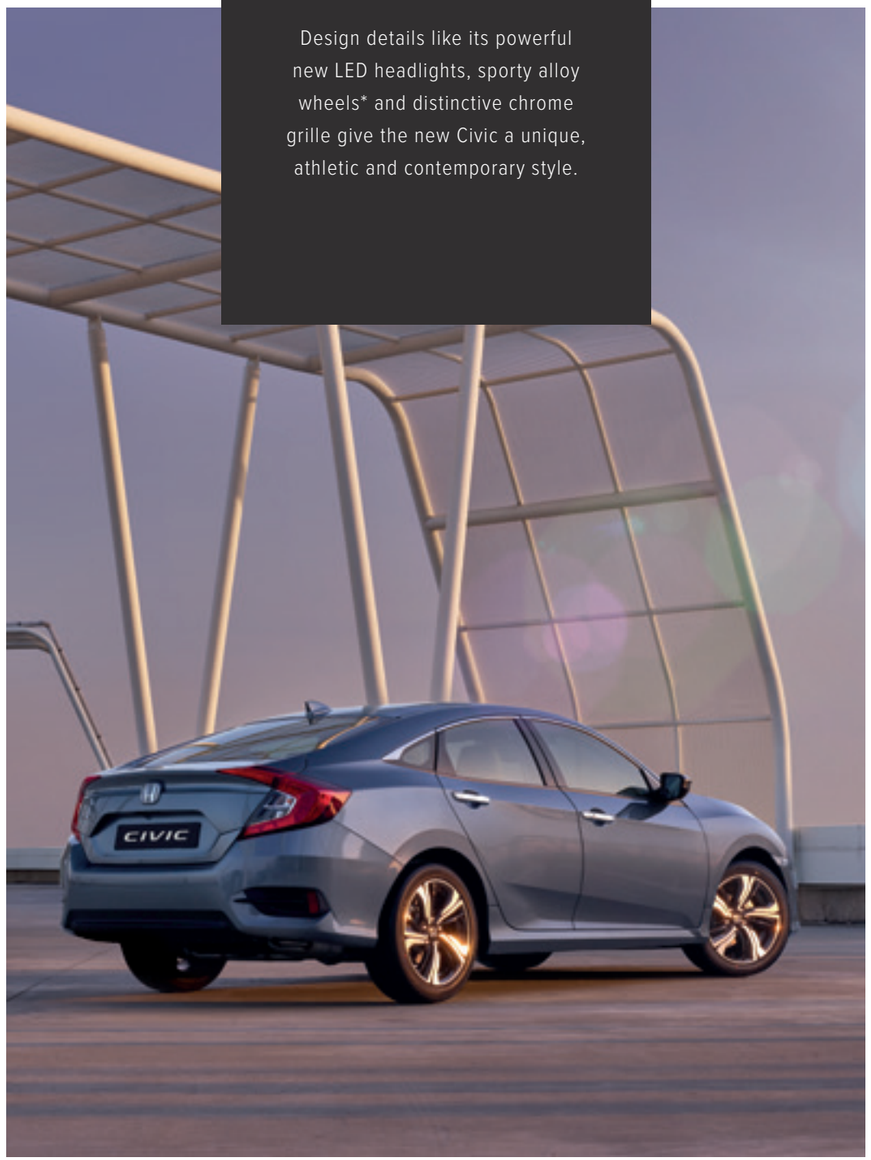
ADVANCED STYLE

Sleek and sporty, the Civic's contemporary new design is beautifully proportioned with a unique blend of dramatic, sculptural lines and smooth curves that flow from its elegant bonnet to its attractive sloping boot.

Model shown is a Civic 4 Door 1.0 VTEC TURBO EX in Polished Metal Metallic.

Images are shown for illustration purposes only and show a left hand drive vehicle. In the UK, the Civic will be a right hand drive vehicle.

Design details like its powerful new LED headlights, sporty alloy wheels* and distinctive chrome grille give the new Civic a unique, athletic and contemporary style.



*For information on which grades these features are available on, please refer to specification pages 41-44.

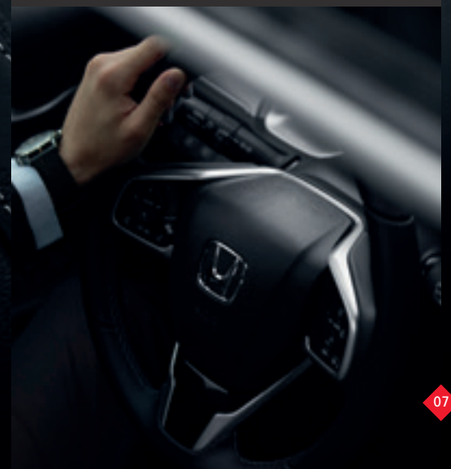
In the UK, the Civic will be a right hand drive vehicle.

FEEL PART OF IT

The new Civic's spacious cabin surrounds you with quality and comfort with soft touch surfaces, supportive, contoured seats and a wide, sweeping dashboard.
We want you to enjoy every drive so we created an environment that gives a real feeling of connection with the car. The ergonomic yet sporty driving position, combined with a new dual pinion steering system gives you excellent feedback and control.

Model shown is a Civic 4 Door 1.0 VTEC TURBO EX in Polished Metal Metallic.

Images are shown for illustration purposes only and show a left hand drive vehicle. In the UK, the Civic will be a right hand drive vehicle.



HELPFUL TECHNOLOGY

The interior layout has been designed to be clear and simple with all major information and equipment within sight and easy reach. It's packed full of helpful technology that makes every journey more enjoyable. Like our clever new 7" Honda CONNECT multi-use touchscreen, dual-zone climate control, heated front and rear seats and a clever new electronic parking brake*. The new Civic has been designed to offer great all-round visibility making it easy for you to see out, whilst the interior is a quiet and relaxing place to be in.

*For information on which grades these features are available on, please refer to specification pages 41-44.

Model shown is a Civic 4 Door 1.0 VTEC TURBO EX in Polished Metal Metallic.

Images are shown for illustration purposes only and show a left hand drive vehicle. In the UK, the Civic will be a right hand drive vehicle.

HONDA CONNECT

The Civic incorporates the 7" Honda CONNECT in-car audio and information system* which keeps you in touch with all the things you love in life, like your music and your friends, all within one central touch-screen display.

APPLE CARPLAY AND ANDROID AUTO™

You can seamlessly integrate your Android phone or iPhone to the touchscreen display, allowing you to make calls, listen to music and send and receive messages.

SATELLITE NAVIGATION

Integrated Garmin satellite navigation will make it easy to find your way and thanks to TMC (traffic message channel) updates, you'll always be on the best route.

MULTI-ANGLE REAR VIEW CAMERA

Engage reverse and the rear view camera automatically comes to life on the 7" display screen with a choice of wide angle views and a top down view.

DAB DIGITAL RADIO

Enjoy digital quality sound and a broader range of stations displayed clearly.

*Honda CONNECT available on Elegance and Executive grades only. Connectivity for Aha™ app (including internet radio) and for internet browsing is through WiFi tethering or Mobile WiFi Router. Data usage and roaming charges may result from using applications on Honda CONNECT. We recommend you check your mobile phone subscribed package. Internet browsing function can only be used when the car is stationary. Only iPhone 5 or newer models with iOS 8.4 or later are compatible with Apple CarPlay. Apple CarPlay features, applications and services may not be available in all areas and are subject to change. To use Android Auto™, you need to download the Android Auto™ app from Google Play™ to your smartphone. Only Android 5.0 (Lollipop) or later versions are compatible with Android Auto™. Android Auto™ availability is subject to change and may vary based on geography. For more information on which grades these and other features are available on, please refer to specification pages 41-44.

Apple CarPlay is a trademark of Apple Inc., registered in the U.S. and other countries.

Model shown is a Civic 4 Door EX. Images are shown for illustration purposes only and show a left hand drive vehicle. In the UK, the Civic will be a right hand drive vehicle.

STEERING WHEEL CONTROLS

Most of the controls you use frequently, like cruise control, Bluetooth™ and audio controls, are situated on the steering wheel, so they are always within easy reach.

WIRELESS PHONE CHARGING

No more tangled cables with our wireless charging system that brings the latest technology into your Civic.

START / STOP BUTTON

Smart keyless entry locks and unlocks doors and will also start the engine without you having to search for the key.

PARKING BRAKE

The electric parking brake replaces a mechanical hand brake and is released by gentle pressure on the accelerator.

HEATED SEATS

We believe that all your passengers should be made to feel comfortable, so we have added heating to the rear seats as well as the front.

ECON BUTTON

Helps you drive more efficiently, saves you fuel and reduces your emissions.

For information on which grades these features are available on, please refer to specification pages 41-44.
Model shown is a Civic 4 Door 1.0 VTEC TURBO EX in Polished Metal Metallic.
Images are shown for illustration purposes only and show a left hand drive vehicle. In the UK, the Civic will be a right hand drive vehicle.

BOOT SPACE

Our spacious boot gives you all the space you want for everything you need, with the added flexibility of folding rear seats for extra carrying capacity.

THE POWER TO PERFORM

We have created a range of engines to give our dynamic new Civic the power and economy to match its looks.

You can choose between our all new 1.0 VTEC TURBO petrol engine which develops an impressive amount of refined power, 126PS, and 200Nm of torque or our new 1.6 i-DTEC TURBO diesel engine, which delivers 120PS coupled with low emissions and high economy. Both engines feature our Earth Dreams Technology which offers the perfect balance of performance and economy. They can be specified with either a slick 6-speed manual gearbox or automatic option: a smooth new 7-speed CVT automatic transmission on the petrol or a new 9 speed automatic on the diesel.

Model shown is a Civic 4 door 1.0 VTEC TURBO EX in Polished Metal Metallic.
Images are shown for illustration purposes only and show a left hand drive vehicle. In the UK, the Civic will be a right hand drive vehicle.

When developing the Civic we wanted to build a car that offered the perfect balance between ride comfort and sporty, dynamic handling. So we redesigned the suspension to include an independent Multi-Link system on the rear and a MacPherson strut system on the front.

Model shown is a Civic 4 Door 1.0 VTEC TURBO EX in Polished Metal Metallic.

Images are shown for illustration purposes only and show a left hand drive vehicle. In the UK, the Civic will be a right hand drive vehicle.

HONDA SENSING

This new suite of safety features will help keep you and your passengers safe whilst driving.

Lane Departure Warning

If the car moves out of its lane without you activating the indicator, then alerts will flash and sound to help bring your attention to correcting the lane drift.

Lane Keep Assist System

Helps keep you in the middle of your lane, providing a less stressful driving experience by reducing the need for steering correction movements and driving effort on the motorway.

Intelligent - Adaptive Cruise Control

This feature detects if a vehicle driving in an adjacent lane intends to cut in front of you and adjusts the speed of your Civic in advance. It also helps you maintain the distance between you and the car in front, so you don't have to manually change your speed.

Adaptive Cruise Control with Low-Speed Following*

This function maintains a set cruising speed and following distance relative to the vehicle in front of you. If the detected vehicle comes to a stop, the function will decelerate and stop your vehicle without you having to keep your foot on the brake. Once the car in front starts moving again simply tap the accelerator to resume the operation.

Collision Mitigation Braking System

If there is a possibility of a collision with a vehicle or a pedestrian this feature will alert you to the danger as well as reducing your speed to help minimise the severity of any impact.

Road Departure Mitigation

A windscreen mounted camera detects whether the car is veering off the road and uses the Electric Power Steering to apply subtle corrections to keep your vehicle in its lane. In certain conditions, it can also apply braking force.

Traffic Sign Recognition

The Traffic Sign Recognition System identifies traffic signs and relays this information to you via a visual display. Two signs can be displayed at any one time.

Intelligent Speed Limiter

Cleverly combines the existing adjustable speed limiter function with the Traffic Sign Recognition system to automatically set the speed limit to that which the Traffic Sign Recognition system detects.

*Low-Speed Following only available on versions equipped with CVT / automatic transmission.

ADVANCED SAFETY

We are committed to keeping you safe, which is why a great deal of clever engineering is at work in the new Civic.

Multiple airbags, Anti-lock Braking System, Electronic Brakeforce Distribution and Vehicle Stability Assist all come as standard. Other intelligent features such as Brake Assist, which boosts braking power in an emergency, keep you safer than ever on the roads.

On top of all this, the Civic combines the very latest technology with intelligent features such as Traffic Sign Recognition, Automatic Brake Hold and Blind Spot Information*.

Limits are set, pushed, broken, and set again. At Honda we never compromise so you can drive with total confidence.

*For more information on which grades this specification is available on please see pages 41-44.
Model shown is a Civic 4 Door 1.0 VTEC TURBO EX in Polished Metal Metallic.

Images are shown for illustration purposes only and show a left hand drive vehicle.
In the UK, the Civic will be a right hand drive vehicle.

1: (ACE) BODY STRUCTURE

The Advanced Compatibility Engineering body structure distributes frontal impact energy more evenly throughout the vehicle, helping protect passengers.

2: AGILE HANDLING ASSIST

Whilst driving, the sensors monitor grip to calculate the amount of power or braking force needed for maximum control, giving the driver more predictable and smoother vehicle behaviour.

3: WHIPLASH LESSENING FRONT HEAD RESTRAINTS

In the event of a collision, these front head restraints and 3-point ELR seatbelts help keep passengers safe and secure and reduce the likelihood of whiplash injuries.

4: DEFLATION WARNING SYSTEM

The Deflation Warning System lets you know if your tyre pressure is incorrect. It can, for instance, give you advanced warning of a slow puncture.

01 BLACK LEATHER

LIFE IS FULL OF OPTIONS

Honda genuine accessories have been designed and built to the same exacting standards as every Honda. So they are durable, safe, secure and guaranteed to fit. All you need to do is choose what's right for you.

BICYCLE CARRIER

Made by Thule, certified by Honda. This accessory carries two bicycles, is simple to install, has a tilting function for easy access and an anti-theft locking system. The carrier comes with a 13-pin connector and requires a 13-pin trailer harness. It's also available in two versions: Coach and Easyfold, which folds for storage.

BOOT TRAY

Perfectly shaped to fit your Civic's storage space, this waterproof, anti-slip Boot Tray, with raised edges and embossed Civic logo, will protect the boot from dirt and scratches.

LIPPED RUBBER MATS

Tough and hardwearing Black Rubber Mats featuring an embossed Civic logo, with a robust lip to add extra protection for your Civic's interior.
Available as Front or Rear Pack.

MUD FLAPS

Helps protect your Civic against dirt and stones with these subtle Mud Flaps. They are a great long term protection feature.

SPORTS PACK

Emphasise the natural sporty style of your car with the Sport Pack.

Includes: Shiny Black Front Skirts, Lower Door Decorations, Rear Skirts and Boot Lid Spoiler.

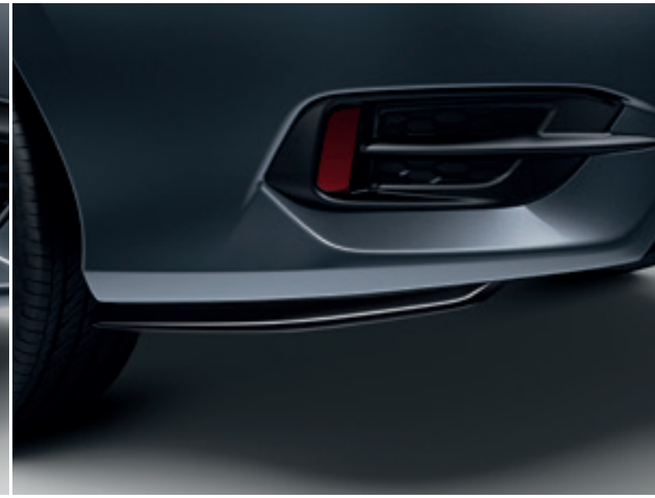
Sports Pack items are also available as individual accessories.

LOWER DOOR DECORATIONS

Shiny Black Lower Door Decorations emphasise the Civic's dynamic styling.

BOOT LID SPOILER

Colour coordinated and designed to enhance your Civic's sporty look.



FRONT AND REAR SKIRTS

These eye catching Front and Rear Skirts complement the Civic's already striking design.

BLUE FRONT AMBIENT FOOTLIGHT

By opening the doors and turning on the headlights the front footwell becomes illuminated giving a soft, cool, calm glow to the interior of your car.

WINDSHIELD COVER

A shield against the elements, this windshield cover will also protect the mirrors and front side windows from heavy weather when your car is parked outside. Features the Civic logo.

BLUE ILLUMINATED DOORSTEP GARNISHES

Crafted in brushed stainless steel, these Blue Illuminated Doorstep Garnishes are activated when the doors are opened, helping to protect the inner door from marks and scratches. **Includes:** Illuminated Front and Non-Illuminated Rear Trims.

BLUE DOOR LINING ILLUMINATION

Open the doors and a cool blue light highlights the door handles and pockets.

DETACHABLE TOW BAR

Comes with 13-pin harness and can tow a caravan or trailer with ease. Detachable when not required, with a towing capacity of 1400kg and 75kg vertical load.

TABLET HOLDER

This Tablet Holder, with the headrest base, fits any tablet with dimensions varying from 7" to 11.6". It has a neat tiltable feature so it can be adjusted to the best viewing position.

WIRELESS CHARGER

The Honda Wireless Charger Kit ensures your compatible smartphone never runs out of power. Simply place your smartphone on the integrated charging mat for effortless charging without the hassle of wires.

♦ Standard - Not available

†The fuel consumption you achieve under real life driving conditions and CO_2 produced will depend upon a number of factors including the accessories fitted after registration, variations in driving styles, weather conditions and vehicle load. Figures stated are based on a standardised test cycle and may not reflect real world driving, therefore they should be used for comparison purposes only. Customers should only compare vehicles tested to the same technical procedures. There is a new test for fuel consumption and CO_2 figures. The CO_2 figures shown however, are based on the outgoing test cycle and will be used to calculate vehicle tax on first registration. You can find out more about the changes bought in by WLTP at http://wltpfacts.eu/.

*Maximum towing weights are based on a 12% gradient and are tested in accordance with EU Regulations.

[Δ]A USB flash drive of 256 MB or higher is recommended and some devices may not be compatible.

*Connectivity for Aha™ app (including internet radio) and for internet browsing is through WiFi tethering or Mobile WiFi Router. Data usage and roaming charges may result from using applications on Honda CONNECT. We recommend you check your mobile phone subscribed package. Internet browsing function can only be used when the car is stationary. Only iPhone 5 or newer with iOS 8.4 or later are compatible with Apple CarPlay. To use Android Auto™, you need to download the Android Auto™ app from Google Play™ to your smartphone. Only Android 5.0 (Lollipop) or later versions are compatible with Android Auto™. Please note Apple CarPlay and Android Auto™ availability is subject to change and varies based on geographical location.

Apple CarPlay is a trademark of Apple Inc., registered in the U.S. and other countries.

†Please note for SE grade ONLY Auto off is available

DREAMS REALLY DO COME TRUE

Dreams can be powerful, they push you to achieve more, to explore new ideas, new technologies and uncover new ways of solving problems.
They can be the inspiration to design and build a true supercar like the dramatic NSX. Dreaming of a better world for people to enjoy has given life to a humanoid robot called ASIMO, taken flight with HondaJet and created some of the most popular motorbikes on the planet. The knowledge we gain from all the things we do and all the things we learn, goes into everything we make, just like the Civic.

Models shown are Civic Type R GT in Championship White, Civic 5 Door 1.5 VTEC TURBO Sport Plus in Rallye Red and Civic 4 Door 1.0 VTEC TURBO EX in Polished Metal Metallic.

Images are shown for illustration purposes only and show a left hand drive vehicle. In the UK, the Civic will be a right hand drive vehicle.
